

## Call for Applications for 6 months work-stays of POST-DOC from abroad

Institute of Geonics AS CR invites application for a **postdoc position of scientific worker from abroad** within the project „Call No. 02\_16\_027 - International Mobility of Researchers“, operational Programme Research, Development and Education, Programming period 2014-2020“.

Topic of research: *Numerical modelling fracturing of rock mass (by Itasca software-FLAC)*

The applicant must meet simultaneously the following:

- Be a post-doc. A post-doc means a researcher within 7 years after receiving the Ph.D. degree or its equivalent. The said period may be extended for the maternity and paternity leave period, long-term sickness (more than 90 days), care for a family member (more than 90 days), pre-attestation preparation and military training.
- Be a researcher from abroad. A researcher from abroad shall mean a researcher, who worked at least 2 whole years (as of the aid application submission date) over the course of last 3 years outside the territory of the Czech Republic in the field of research with working time of at least 0.5, or was a Ph.D. student (or similar form) abroad.
- Demonstrate publication activity – in the last 3 years, at least 2 publication outputs. Publication outputs are an expert publications registered in Thomson Reuters Web of Science, Scopus or ERIH PLUS databases and at the same time, publications such as “articles”, “books”, “book chapters”, “letters” and “reviews”.

Detailed applicant information is available in document “Rules for Applicants and Beneficiaries – specific part” (<http://www.msmt.cz/strukturalni-fondy-1/vyzva-c-02-16-027-mezinarodni-mobilita-vyzkumnych-pracovniku>).

Applicants will send simple copies of the following documents:

- Diploma (or recognition)
- Professional CV with a reference to publication activity
- Document(s) proving activities outside the Czech Republic for 2 years over the course of the last 3 years and/or documents regarding Ph.D. studies. (can be submitted in the professional CV)
- Motivation letter containing description of the research that the researcher will conduct, justification of the need for the field

Start of work-stay is expected from September 2018. The work-stay can be divided to two parts with maximum break of 180 days.

Application containing documents above should be sent by April 11, 2018 by email to the address [podatelna@ugn.cas.cz](mailto:podatelna@ugn.cas.cz) or alternatively by mail to:
