

Special issue on the occasion of the Seminar on Numerical Analysis  
25.1.-29.1.2021, Ostrava, Czech Republic

# APPLICATIONS OF MATHEMATICS

## Information about the special issue (SI):

- SI is devoted to the conference participants having invited or short lectures.
- SI will be edited by
  - S. Sysala, [stanislav.sysala@ugn.cas.cz](mailto:stanislav.sysala@ugn.cas.cz)
  - P. Tichý, [ptichy@karlin.mff.cuni.cz](mailto:ptichy@karlin.mff.cuni.cz)
  - M. Rozložník, [miro@math.cas.cz](mailto:miro@math.cas.cz)
- Original papers of a **high-quality scientific level** and **in accordance to the journal scopes** are required.
- A number of papers in SI is limited. In case of a larger number of submitted papers, some of them can be handled by another editors and out of the special issue.
- The papers must be submitted using the journal system.
- All submitted papers will proceed with the standard review process of the journal.

## Important dates:

- **January 31, 2021:** confirmation of interest – please send an email to the SI editors
- **May 31, 2021:** full paper submission
- **February 2022:** expected date of publishing
